School Nutrition Internship Program

School Nutrition Department at Cleveland Metropolitan School District

Our Vision: To nourish and educate our scholars and staff.

Our Mission: To ensure that each scholar receives prompt, professional and courteous service, a nutritious meal or snack, and practical nutrition education.

Our Core Values:

We will collaborate, build relationships and work as a team,

We will set the standard for quality service.

We will commit to professional development.

We will act with compassion and integrity.

We will communicate effectively.

We will be innovative with our ideas and services.

School Nutrition Operations Internship

This internship has flexibility to be geared toward the intern's specific interest. Below are some areas that we can offer:
